

Build it!

Campaign Team **Bullet-ON...**

MIKE MOORE & SONS CLAIM THEIR GOLDEN STAKE IN THE SAULT!

It was a great day for claim-staking as Mike Moore & Sons Construction Ltd. & Employees were the first to receive the **Golden Stake Award for 100% employee participation.**

John, Dr. Walde, J.J. and Jamie Melville, SAHF Board President, were among those who witnessed this monumental occasion.

As noted by Mike Moore himself, "how fitting that it be on the National Day of Mourning (the day we honour those who have lost their lives on the job) that we publicly announce our commitment to the building of the NEW Hospital and our \$250,000 gift to the Campaign." With 100% employee participation, Mike Moore & Sons proudly accepted their Golden Stake Award and challenged other businesses to do the same.

Pictured: while J.J. and Mike Moore "take it easy", Mike Moore & Sons employees proudly display their Golden Stake Award.

Our Momentum Is BUILDing! As we head full steam into the public portion of our Campaign, proof is everywhere that the momentum in the community is building and reaching **into the District and beyond!**

- On a **daily** basis, the Foundation office is receiving **calls, faxes & emails** from people **requesting donor kits or** asking how they can get **a wooden stake** and support our Campaign.
- We have been receiving **donations** to the NEW Hospital Campaign from not only local Saultites but **from those now living in many parts of Southern Ontario, Manitoba and the U.S.**, just to name a few.
- We just received a generous donation of **\$25,000 from Rotary Club North.**
- Dr. Irene Oktaba, is a Sault native who has recently taken a sabbatical from her Professorship at the University of Toronto and returned home to the Soo. No sooner did she arrive, when she came knocking at the Foundation door wanting to help out with the Campaign in any way she can. We extend a big **THANK YOU & WELCOME to Dr. Oktaba** who will be volunteering with Len Bailey's group canvassing local businesses.
- Speaking of Len Bailey's group...canvasser **John Stefanizzi has been caught proudly displaying his stake** in the window of his...office at Edward Jones located at 390 McNabb Street. **WAY TO DISPLAY JOHN!**
